June 2020

Good day T.R. Leger Students

With the end of the 2019-2020 school year fast approaching, we are looking to connect with you or your parent/guardian regarding your courses and how you would like to address them before the end of the school year, June 26th, 2020.

Given the CoVid-19 school closures across the province of Ontario and following the Minister of Education's direction, you have the following options for courses that you are currently registered in. You can:

1. Have your credit(s) awarded based on your March 13, 2020 mark.
2. Continue working on the pre-March 13th course(s) to improve your knowledge and final mark to the end of the school year. Your mark will never be lower than the mark as of March 13th. This could be the Abridged Key Expectations format, or the Full 20 Lessons (without the midterm or final exam).
 - 2.1. Graduating students' course(s) would need to be finished or decided on by June 15th, 2020 to allow time for finalizing marks etcetera.
3. Continue working on the Abridged Key Expectation version or the Full 20 Lesson format (less the midterm and final exam) into the Fall and finish those course(s) before October 30th, 2020.

Any courses started after March 13th, 2020 need to be completed in their entirety.

Please reach out to your school contact or guidance teacher as soon as possible to discuss what you would like to do with each of the course(s). If you experience complications, please call our Toll-Free number at 1-877-875-3437 and leave a message with your full name, contact phone number and your campus location.
